

Stadium Construction Begun After Purchase of Additional Parking Strip

Actual construction was to begin Wednesday on the west extension to the seating at the Hamlin football stadium.

Negotiations were completed for the purchase of four acres of land in a strip from R. D. Moore which will permit the extension of the west stands over the present fence for a distance of 21 feet.

The remainder of the strip will be converted as a parking area for the football crowds that are to come.

New construction will provide the stadium with 2,000-seat steel stands on the west side of the gridiron and it is believed that this will provide ample seating arrangements for the overflow crowds that have developed in the past.

Cross planking for actual seating of the fans will be number

one lumber strung on five foot centers and items of comfort for spectators will not be overlooked, according to announcements from school heads.

Of principal interest at this stage of the construction is the announcement that side entrances to the west stands will be provided which will eliminate the necessity of long walks from the parked cars of spectators.

A meeting is in the offing at which time plans for the sale of reserved tickets and other problems will be formulated.

The Herald has been assured that it will be provided with a group of plans for the seating arrangements and through examination of these, the public can familiarize itself with location of the various sections.

Mail Delivery Now Hamlin Certainty

Last minute details relative to the commencement of city mail delivery in Hamlin were ironed out in session between Postmaster Perry Sparks and Inspector Powell of the postoffice department.

Principal portion of Friday, June 23, was devoted to this work by the men here.

Boundaries arrived at through this conference will include that area north to the Katy Depot and south to the Victoria Courts to be divided into two routes for carriers. Limits to the west will be defined by the ball park and three streets east of Central Avenue will be served in the southern zone. Two streets east of Central Avenue will have carrier delivery in the north section.

Possible conflict in addressing of mail to boxholders led to the decision that mail would be handled in accordance to the manner in which it was addressed.

No mail delivery service will be rendered on Sundays or holidays. Start of the city mail delivery will automatically suspend what is known as the drop-letter rate on local postage. First class mail will hereafter be handled for a three-cent rate only.

Postmaster Sparks informed a Herald representative that flexible practices will be followed at the outset of service to Hamlin. Where a resident is well known to the carrier or clerical force of the postoffice, mail will be delivered to a known address whether thus addressed or not. Particular emphasis was placed on the necessity of proper numbering of the houses of Hamlin. A plat of the city and a supply of house numbers has been furnished to Mrs. E. M. Wilson at the Chamber of Commerce and the numbers may be obtained there.

Of particular significance to the patrons of the Hamlin post office is the insistence of Inspector Powell that certain rules of the post office department be complied with. Economy practices that have been instituted by the department prohibit the overtime work of employees except in cases of prime necessity. For this particular reason, the practice of parcel handout to patrons after closing hours has been prohibited. No service of this sort will be permitted with the exception of perishable commodities such as serums and items needing refrigeration. Baby chicks will come under the perishable classification.

The inspector also ruled that visitors to the post office working department must be denied entrance. He called attention to the demerit system that governs the granting of this privilege.

Eastland Softball Tournament Site

Texas Amateur Softball Association will hold its 1950 official District No. 10 Tournament in Eastland the week of July 17 thru 22 under sponsorship of the Volunteer Fire Department of that city.

All teams in District 10, composed of Jones, Fisher, Nolan, Taylor, Shackelford, Callahan, Stephens and Eastland Counties are eligible to take part in this tournament.

Winner and runner-up will be eligible to take part in the State Tournament which will be held in Brownwood August 10 thru 12.

Texas Regional Tournament will be held in Dallas on Labor Day week-end and the World Tournament will be held in Austin September 11 thru 16.

According to a survey made by a Herald reporter no team from Hamlin have decided definitely, but those who do are asked to write T. A. S. A. Commissioner, E. M. Pritchard, Dist. No. 10, Box 163, Eastland.

Assembly Of God Nov Has Resident Pastor

Rev. and Mrs. G. W. Estes and four children from Winters are the new occupants of the Assembly of God Church parsonage. The couple have three boys and one girl.

Trusteeship Council Opens Session

The United Nations Trusteeship Council, now holding its seventh annual session at Lake Success will deal with such questions as progress in U.N. Trust Territories, proposals for an international regime for Jerusalem, and protection of the Holy Places there. Here, Dr. Victor Hoo, U.N. Assistant Secretary-General, talks with Roger Garreau of France, outgoing President of the Council.

Elva Greenway Dies After Valiant Fight Boy Scout Group Off For Jamboree

Hamlin was saddened at the news Wednesday of the passing of Elva L. Greenway, 41-year-old proprietor of the Hamlin Flower Shop.

Death came to the beloved Miss Greenway at 2:15 p. m. in Hendrick hospital in Abilene after a lengthy fight to survive injuries received in a traffic crash at the southern outskirts of the city last Tuesday.

So serious were injuries to Miss Greenway that doctors first gave her only 72 hours to survive and members of the family were called immediately.

Despite a crushed spine with resultant paralysis, there was some hope for recovery until a relapse set in.

Miss Greenway was born in Byston, December 26, 1908 and moved with the family to Hamlin in 1924. She was a graduate of Hamlin high school and attended Mary Hardin Baylor college. She taught in Hamlin and Sweetwater schools for three years.

She was active in the supervision of the WPA office in Hamlin and Lubbock prior to 1941, when she purchased the flower shop which she opened in Hamlin.

Miss Greenway was active in social and church life in Hamlin and had been a member of the First Baptist church since she was 12 years of age. She served as leader of the intermediate training union and was assistant teacher of the business women's Sunday School class of the church. She was loved for her serene and cheerful viewpoints on the problems of this life and was noted for her charitable regard of frailties of others.

She is survived by her parents, Mr. and Mrs. J. C. Greenway; one sister, Mrs. Mildred Gibbons of Los Angeles and three brothers, J. D. Greenway, Pecos; Carl F. Greenway, New York City and Lee Greenway, Los Angeles. All of the survivors were in Hamlin before the passing of Miss Greenway.

Funeral services were conducted from the First Baptist church Thursday at 4:00 p. m. under the direction of Rev. A. R. Posey, pastor, assisted by Rev. J. Henry Littleton, Leuders.

Burial was in the East Cemetery under the direction of Barrow Funeral Home.

National Geophysical Opens Hamlin Office

National Geophysical Company No. 1 has moved their offices to Hamlin this week, to begin operations here.

Party chief for the crew is G. W. Zwiebel.

According to the local Chamber of Commerce, the crew is in need of a place to live, five apartments and several rooms are needed.

The firm will install their Hamlin offices in the building formerly occupied by the F. & M. National bank.

Mrs. W. D. Dane and Dana Kay of Fort Worth are house guests in the J. W. McCrary home this week.

Boy Scout Group Off For Jamboree

The Hamlin group of selected delegates to the national Scout Jamboree, being held this year at Valley Forge, Pennsylvania, began the long trek to the Mecca of Scouting Sunday.

Delegates from all troops embraced by the Abilene council met in that city to board their special train that will transport them as a group.

Included in the representation from Hamlin were W. L. Fletcher, Jr., Robert Bonner, Robert Angel, Don Johnson, Joe Don Hymel, Joe Charles League, and Guy Weaver.

The boys will be under the active charge of R. E. Johnson, Stamford regional chairman, who also will have the Stamford group of 16 under his wing.

The Pennsylvania encampment is scheduled to last until July 11 when the boys will return.

Masons Install New Worshipful Master

Monday night, June 26, marked date of ceremonies under which P. D. Harkins was installed as Worshipful Master of the Hamlin Masonic lodge.

Installing officer was W. A. Norris and installing marshal was Ira A. Clements.

Officers installed were Harkins as Worshipful Master, Pat Marlow, Senior Warden; K. T. Scout, Junior Warden; Elmer Feagan, Treasurer.

W. A. Norris, Tyler; Ira Clements, Secretary; Roy C. Brown, Senior Deacon; J. H. Fitzgerald, Junior Deacon; W. R. Terry, Chaplain; C. W. Gold, Senior Steward and L. J. Haight, Junior Steward.

The Mason-Dixon Line is now the boundary line between Maryland and Pennsylvania.

Officers for Year Installed by Lions

The Tuesday luncheon meeting of the Hamlin Lions club was devoted principally to the installation of officers elected for the coming year.

Joe Childress, Abilene business man active in affairs of the international body, was obtained as master of ceremonies for the event and his first act was to award 100 per cent attendance buttons to those of the club who have not been absent during the year past.

Following this ritual, Jimmie Irwin expressed his appreciation for the cooperation he had received from the club membership during his tenure of office. He was presented with a past-president's button and a certificate of merit.

Childress then called upon each elected officer to stand as he was named and outlined the duties that are involved in the conduct of that office.

Jim Howard King was last to receive this instruction as president-elect and was presented with the president's button which Irwin surrendered.

Childress then outlined the program and purposes of the club for the coming year and lauded the local group for the reputation they had gained for their civic activity in past years. He emphasized the fact that Lion service is based on Inspiration, Information, Determination and Perspiration as a foundation and the accomplishments that would follow use of these basic principles.

Whaley Well Tests As Definite Producer

Drill stem test was run on the J. G. Whaley No. 1 Wilson and Wilson well Wednesday in the Swastika sand at depth of 3146 feet.

Gas came to the surface in five minutes and oil flowed in 44 minutes from this depth with 500 pounds tubing pressure.

Penetration of only six feet into the sand was necessary to get this test, indicating that this well will be superior to the first well dug by Sohio on the Whaley farm.

Grishman & Hunter's Whaley Number One, another offset to the Sohio well on the Whaley farm is drilling again after rig was shut down for minor repair at 2860 feet.

Weed Burning Heads Santa Fe Program

Right-of-way crews of the Santa Fe System were this week burning weeds from the tracks towards Santa Angelo.

The crew had been working last week on tracks, to the north.

White men cannot vote in Liberia.

Replica of Liberty Bell Received Here With Heavy Savings Bond Purchases

Arrival of the replica of the Liberty Bell as an added incentive to the purchase of Series E savings bonds was greeted with appropriate ceremonies in Hamlin Monday shortly after five p. m.

Hamlin was the last stop for the traveling group for the day and they took a well-deserved breather here. The day had started in Snyder with a six-town tour outlined for the day.

The bell was scheduled to leave here for Stamford Monday night where it would remain overnight in preparation for the visits of the following day. Stamford and Anson were scheduled for the seven-town route of that day.

I. R. Witt was designated as Mayor Pro Tem by Mayor Mac Brundage and executed the formalities incident to the arrival of the bell. He introduced H. A. Sigler, Fort Worth man in charge of the group.

Sigler recited facts pertinent to the history of the bells, which were manufactured in France at the expense of the copper companies of the United States. The truck on which the bell is mounted is driven by an employee of the Red Ball motor freight lines and a sound car from the United States army recruiting service is assigned to the escorting group. Various units of the state highway patrol are assigned to the unit as it enters their particular area.

Tate May was presented to the large crowd by Sigler and May told of the enviable record of the Hamlin community in bond drives in the past and expressed his confidence that Hamlin's portion of the Jones County quota would be subscribed prior to the Fourth of July closing date.

May installed Joe Culbertson as master of ceremonies in the impromptu subscription drive as a climax to the visit of the bell. At Culbertson's behest, a substantial amount was added to the bond fund, first contributor being little Jimmy Inzer with a \$500 purchase. Young Inzer was accorded the privilege of ringing the bell as his purchase was recorded. This purchase was closely followed by the purchase of a like amount by Holly Pardue Toler and the sale was under way in earnest.

As the bond sale was completed each child present was granted the privilege of ringing the bell one time as an experience to be remembered in future years.

When the sale of the savings bonds is completed, the bell will be assigned as a permanent possession to some town in Texas. Method of selection of the town has not been announced.

Hitters Change In Figures for Week

Radical changes were made in the standings of the leading hitters in the city softball league over the week just past.

J. E. Hooper was displaced as leader in this department by a spurt on the part of David Butler and H. J. Lippe. A resume of the list shows that six new faces are included in the select group this week.

The leaders:

	ab	H	Pct
David Butler, Lions.....	29	15	.517
H. J. Lippe, Conoco.....	22	11	.500
J. E. Hooper, Conoco.....	22	9	.409
J. Jennings, McCaul.....	21	8	.380
D. Carricher, Syl.....	19	7	.368
C. Gardner, VFW.....	18	6	.333
L. J. Haight, Hitson.....	18	6	.333
D. McKennon, Neinda.....	12	4	.333
Joe Ford, Lions.....	22	7	.318
M. Kennedy, Hitson.....	13	4	.307
Sutherland, Lions.....	13	4	.307

Butler is leading in home runs with three and Gardner and Herbert of VFW are leading in doubles with three each.

Round Top Wells In Stages of Progress

Joe Decker Number Four well in the Round Top Field has reached depth for the Canyon Reef at approximately 4800 feet and pipe is being set.

Pipe has also been set on the Poe 10-S in the same field in the Swastika sand.

The Coate well in the Round Top field is at 4300 feet. Well is scheduled for the Canyon Reef.

Two locations have been staked on the A. S. Brown properties in the Round Top field. West Central Drilling Company is to be the producer.

ON WESTERN TOUR
Mr. and Mrs. Jerry Waggoner are on a tour of Colorado, Utah, Nevada and California.

Their trip into California was an afterthought when they had completed their visit in Nevada.

Sylvester Farm To Market Road Topped

Sylvester's Farm-to-Market Road through to Longworth is getting its topping early this week.

Completion of this road will link Sylvester and McCaulley long interwoven in trade, commerce and social life of the Hamlin area.

Stamford Softball Team Triumphant

The heralded contests between Stamford's outstanding softball team and a group of Hamlin All Stars brought Hamlin two exhibitions of stellar play Friday night.

Doped to be soundly thrashed by the strong Stamford array, the locals made a race of both games all the way.

Pokey Woods went the route for Hamlin in the first encounter and matched the great Mickel in a very creditable manner before bowing by a score of 4-2.

Anderson, Stamford center fielder, was the difference in the game with a pair of vicious hits that were delivered at opportune moments to bring the victory.

In the second portion of the evening's bill, Ed Hill came with his best performance of the season and Stamford was harassed to eke out a 2-0 victory. Dub Lockhart, Abilene imposter, performed on the hill for Stamford and was very effective with the chips were down.

Newland and J. C. Riddle tied in sterling performances shortstop for the Hamlin team.

July Fourth Named For Local Observance

The Hamlin Chamber of Commerce informed The Herald this week that next Tuesday, July 4, has been designated a legal holiday with all stores closing.

Mrs. E. M. Wilson, secretary, stated that those who wish to serve Monday before the 4th may do so but it is not observed a holiday.

All business houses are asked to fly the flag on Tuesday, report concluded.

Cassle Location Moved By T-P in Pardue Field

Rig has been moved in location by the R. H. and K. C. Cassle Company for a well on H. O. Cassle properties.

The well will be dug in the Pardue field for Texas and P. Coal and Oil company.

Softball Standings Show Little Change

Veterans of Foreign Wars continues to show the way to the remaining teams in the city softball league with little change in the standings of the other teams participating.

Probably the most improved club in the league is Sylvester. This team is staging a characteristic late spurt to gain rapidly on the rest of the field. They are beginning to swat the ball with a vengeance that produces extra base hits in quantity.

The standings:

	W	L	Ave
V. F. W.	6	1	.857
Lions	5	3	.625
Hitson	3	3	.500
Conoco	3	4	.428
Sylvester	3	4	.428
Neinda	2	4	.333
McCaulley	2	5	.285

Culbertson Well Near Ellenburger Depth

Information received Thursday at noon revealed that the Ungren & Frazier Joe Culbertson Number 3 is drilling in the Mississippi lime.

This well is slated to be drilled to the Ellenburger as an exploration of that depth.

Should production fail from the Ellenburger structure, the well may be plugged back to Swastika sand for production.

CALIFORNIA VISITORS

Mr. and Mrs. Al Williams and daughters, Linda Gay and June, arrived Sunday from Salinas, California for a visit in the home of Mr. and Mrs. Don Hymel.

They departed Wednesday on their return trip to the Coast.

Week of Softball Play Featured By Climb of Sylvester Into Contending Spot

Another week of softball play has been completed and contests were not without their thrills as the games were reeled off according to schedule.

Thursday, June 22, brought Conoco and McCaulley together in a tight contest that returned Conoco as the victor by a 2-1 score. Hooper was the leading pitcher and Brown of Conoco led the hitters with two bingles.

In the second game the promised thrills of a meeting between Lions and Hitson failed to materialize when Lions romped home with a 12 to 5 victory. Sugar Green received credit for the win and David Butler contributed a triple and two doubles in the hitting department, which moved him into first place in the league standings.

Monday, June 26th, brought an upset when Neinda clubbed out a 2 to 1 whipping to the Conoco club. Hargrove was a surprise starter for the Neinda team and allowed only four hits to Conoco. Lippe garnered three of the Conoco bingles.

In the afterpiece, McCaulley furnished unexpected opposition to leading VFW before bowing to

experience on that club by a score of 6 to 3.

A flurry of misplays by VFW brought them up with a deficit going into the fifth inning but Newland and Gardner came up with money wallops that climaxed a four run rally to give Pokey Woods his sixth victory in season play. Woods has been defeated but once.

Tuesday's program brought an exhibition between Hamlin and O'Brien girls in the first game and Sylvester engaged Conoco in the second attraction.

Inability to stop O'Brien from taking liberties on the base paths penalized the Hamlin girls to an extent that was alarming and it brought O'Brien an 11 to 4 victory.

Sylvester administered a sound drubbing to the Conoco nine and emerged with a 13-3 victory. Pete White has finally found his batting eye and pounded out a homer and triple to make his presence felt in the encounter. Early went the route on the mound for Sylvester to gain the victory but was not so effective as in former games. Lippe and Hooper were no puzzle to the Sylvester batters.

UNICEF Goes to School in the Tyrol

A nun delegates a young "waiter" to help her serve bowls of soup—an extra on the schoolchildren's menu, in Mayrhofen, Austria—made possible by help from the United Nations International Children's Emergency Fund (UNICEF). The children are served their extra lunch each day at an inn operated by the mayor of the village.

Diabetes Assumes Place of Importance As Public Health Problem, Officer Says

Death rates from diabetes is three times as high in diabetics whose condition was not discovered until after complications developed than for patients whose illness was recognized and brought under treatment before advanced symptoms appeared.

Based on recently completed national studies, this was revealed Thursday by State Health Officer George W. Cox.

"Diabetes has not always been a public health problem," the health officer declared. "It became one when we found that the death rate is much greater when the condition is discovered late."

"Public education makes for lower diabetes death rates, and public education in such matters is a health department job."

Dr. Cox told this story about diabetes:

It used to be that many diabetic patients sought treatment only after having developed serious complications. A considerable number of all diabetics examined at autopsy showed active pulmonary tuberculosis.

The discovery of insulin gave physicians a specific treatment for prolonging patients' lives, even before it was entirely clear what the disease was and what its effects were.

Thus, event after event took place with insulin therapy, eventually leading to the realization that early discovery means longer life.

"Diabetes mellitus"—called sugar diabetes by some people—is a condition in which the body cannot properly process the sugar it needs. The result is chronic thirst, hunger and weakness. Eventually, without insulin, the patient will literally starve to death. Insulin injections will correct the faulty body processes.

"In 1949, there were 739 diabetes deaths in Texas," Dr. Cox said. "By comparison, that same year there were only 189 polio deaths."

"It's the family physician who is in the best position to discover diabetes or a pre-diabetic condition. That's just one more point in favor of regular medical check-ups," the doctor concluded.

Relatives visiting Sunday in the V. E. LaBaume were: her daughter Inez of Abilene and son, Lewis of Snyder, Earl Jones and daughter, Iris Ann and Mary Edna of Sweetwater; Miss C. A. Turnell, Mr. and Mrs. Lee Walton Turnell and daughter, Kathy of Placid.

Mrs. J. T. Mahffey of McCaulley was a medical patient in a Rotan hospital last week.

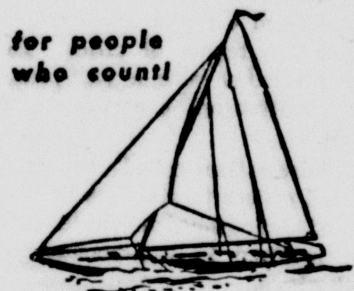

Benjamin Franklin designed a dollar made of silver, brass and pewter, bearing the motto, "Mind our Own Business," and minted in 1776.

Bryan Hennington of McCaulley was a surgery patient at a Rotan hospital last week.

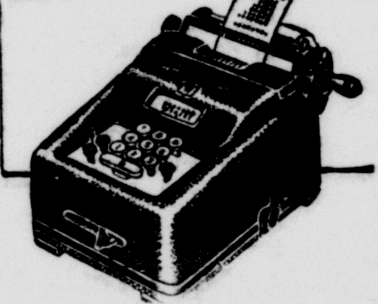

Mrs. Ross Gruben of McCaulley was a medical patient in a Rotan hospital last week.

THE HERALD

Death Comes To Former Hamlinite

J. H. Anderson, 75, resident of Abilene since 1927, died at his home Friday at 4:00 a. m.

Mr. Anderson, as most oldtimers will recall was a Magnolia Petroleum Company employee for 25 years, being with the company first at Hamlin and later in Abilene.

He retired 15 years ago. His work for years with the company involved traveling over this area.

He had been in ill health for several years, but was able to be up and about and seemed much the same as usual on Thursday. His death was discovered by his wife about 6:30 a. m. he had died in his sleep.

Funeral services were held Saturday at 4:00 p. m. in Abilene. Rev. F. E. Michael, pastor of the Fairmont Methodist Church, officiated, Abilene.

Burial was in the Elmwood Memorial Cemetery with the following pallbearers: Arthur and Jimmy Eddington and Oscar Pace of Abilene; Bob Harmon of Fort Worth; Clint Scott of Sylvester and Howard Harpham of Carlsbad, New Mexico.

He was born in Prescott, Arkansas, July 30, 1874. Most of his boyhood was spent in Rising Star and McCaulley. He later moved to Roby and married Miss Zipporah Colwell of McCaulley on July 30, 1899.

Surviving are his wife; two daughters, Mrs. R. L. (Red) Williams of Beaumont and Mrs. Riddon Edwards of Sweetwater; a son, S. T. Anderson of Winters; a brother, B. E. Anderson of Austin and a sister, Mrs. J. Y. Eddington of Abilene.

Beauty, wealth, or fame is incompetent to meet the demands of the affections, and should never weigh against the better claims of intellect, goodness and virtue. —Mary Baker Eddy.

Smith-Doxey Act Gets Heavy Action

About one-fifth of the organized cotton improvement groups have already applied for the benefits due them under the Smith-Doxey Act, according to a report to The Herald from the representative of the United States Department of Agriculture's Production and Marketing Administration in Abilene.

Applications for these services can be secured from: County agents, PMA offices, cotton classing office and gin.

They should then be sent immediately to Box 2001, Abilene. "Our goal is to get all applications in by July 15," he explained. "This will give the farmers

time to make arrangements for sampling. Also, it will help cotton classing offices to get ready to operate at full speed when the season starts."

Commercially speaking, the Douglas fir is more valuable than any other tree.

Here's the best steer on the market!

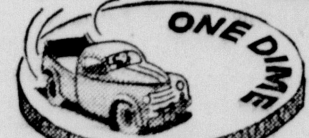

Drive **DODGE**
...the only truck that's
"Job-Rated" for easy handling

Drives like a dream!
That's what you'll say once you get behind the wheel of a Dodge truck. It's "Job-Rated" for comfort and convenience...to make driving a pleasure in traffic or on the open road.

Parks like a kiddie car!
Shorter wheelbase and shorter over-all length make parking a snap. Your Dodge truck is "Job-Rated" so you can slip easily into those parking spaces you used to pass up.

Rides like a baby carriage!
Smoo-oo-th is the word for the ride you get in a Dodge "Job-Rated" truck. Extra-long front and rear springs are tough, yet flexible. And they're re-shackled to last a lot longer.

Turns on a dime!
Just a feather-touch to the wheel and you make shorter turns, whether you're backing up, turning around, or parking. "Job-Rated" wide tread front axle and cross-steering make it possible that way!

Now! gyrol Fluid Drive!
Available only on Dodge "Job-Rated" Trucks (½-ton, ¾-ton and 1-ton models). Ask for Fluid Drive booklet.

"Job-Rated"
...for low cost transportation

- POWER: ... 8 great truck engines—each "Job-Rated" for FLUUS power.
- ECONOMY: ... priced with the lowest "Job-Rated" for dependability and long life.
- BIGGER PAYLOADS: ... carry more without overloading axles or springs because of "Job-Rated" WEIGHT DISTRIBUTION.
- EASIER HANDLING: ... sharper turning! Parks in tight places. "Job-Rated" maneuverability!
- COMFORT: ... widest seats ... windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.
- SAFETY: ... finest truck brakes in the industry ... hand brake operating independently on propeller shaft on all models—½-ton and up.

With all their extra value **DODGE "Job-Rated" TRUCKS** are priced with the lowest

MARINE AIR RESERVE MOBILIZATION * 1950

41 U. S. MARINE AIR RESERVE SQUADRONS, based at 25 U. S. Naval Air Stations throughout the nation, are poised to make the two largest coast-to-coast mass air movements ever planned for American reserve air fighter units in peacetime. 21 Western squadrons will leave home stations (black arrows) simultaneously, July 8th, 1950, for maneuvers lasting to July 22nd at Cherry Point, N. C. 20 squadrons at bases east of the Mississippi (white arrows) will leave simultaneously August 5th, 1950, for maneuvers lasting to August 19th at El Toro (Santa Ana), California. Fast moving Marine mobile radar equipment will be set up in radar networks in the field to direct interception of "attacking" planes.

Alfalfa Established As Sylvester Crop Leader

Around 700 acres in alfalfa is grown on sub-irrigated bottomlands of the Clear Fork of the Brazos River in the Sylvester area and is attracting much favorable comment from ranchers and other feeders.

The area grows alfalfa so well that some of it is cut five times a year—in the fast growing season as often as once every five weeks.

There are approximately 2,000 acres of land suitable for this crop if demand justifies it, a report pointed out.

Hamlin Births

Born in the Hamlin Memorial Hospital to Mr. and Mrs. Bentley Solomon, a son, born June 24. He has been named Michael William.

To Mr. and Mrs. Troy Rogers, a daughter, in the Hamlin Memorial Hospital, June 25. She has been named Rita Lois.

W. H. Hallmark Jr. of Hamlin was a surgery patient at a Rotan hospital last week.

All kind INK at The Herald.

Katy Carloadings Up As Trend Continues

Katy carloadings for week ending June 16, were 9,992 as compared with 8,308 for same week in 1949. Cars received from connections were 4,083 as compared with 3,656 for 1949. From year to date 1950 Katy has moved 213,491 as compared with 210,703 for 1949 to date.

Let us satisfy our own consciences, and trouble not ourselves by looking for fame. If we deserve it, we shall attain it; if we deserve it not we cannot force it.—Seneca.

The Celotexan

By Mrs. O. R. Criswell

Mrs. Leah Durham of Sweetwater and Mr. and Mrs. Glenn Wesley Bond and baby of Fort Worth were week-end guests in the G. M. Bond home.

Mrs. Ronnie Ray and children of Jal, New Mexico are visiting her parents, Mr. and Mrs. J. W. Riddle.

Mrs. R. R. Christian and Mrs. O. R. Criswell and children spent Saturday in the home of Mrs. F. T. Wallace.

Sunday guests of Mr. and Mrs. Clifton Lockhart were: Clarence Lockhart of Acme and Mr. and Mrs. Clyde Lockhart of Snyder.

Mr. and Mrs. Sherm Barbee of Stamford, Mr. and Mrs. Woodie Scott of Hamlin and Mrs. W. H. Hall, Mr. and Mrs. Dan Pope of Hamlin were visitors of Garfield Hall and family.

Mr. and Mrs. L. L. Criswell and Bonnie Mae of Hamlin visited Mr. and Mrs. O. R. Criswell and children Monday evening.

Mr. and Mrs. I. D. Adkins and children returned from Oklahoma City Saturday where they visited Mrs. Pat Patton. They also visited Ralph Miller of Sweetwater and Mrs. Jess Franklin of Abilene.

Those on the sick list this week are: Mr. and Mrs. Ernie Dornay, Grandpa Brown, Mrs. Lester Scott, Mrs. Harvey Mayfield, David Wallace.

THE FAMED LIBERTY BELL replica draws together Chairman Fred F. Florence of the Texas Advertising Committee, U. S. Independence Savings Bond campaign (in dark suit with hand on bell on the right), and editorial and advertising executives of Texas newspapers, radio networks and outdoor advertising firms at a conference in Dallas to perfect plans for an intensive statewide program to push bond purchases. Chairman Florence, who is president of the Republic National Bank of Dallas and a business leader of the Southwest, emphasizes that "the savings bond campaign transcends politics and is a program in which patriotic citizens can work shoulder to shoulder, not only for personal financial independence, but for the preservation of our national freedom as well." Above, left to right, are: Martin Campbell, general manager of Radio Station WFAA at Dallas and an executive of the Texas Quality Network; W. A. Gibson, Jr., Fort Worth, president, Outdoor Advertising Committee of Texas; Mr. Florence, and Louis Goldberg, business manager of the American-Statesman, newspapers of Austin.

There are no tigers in Africa. If sold for the value of its chemical elements, the human body would be worth about 98 cents.

The penultimate day of the month is the next to the last day.

Mrs. L. S. Magee has returned home from a Stamford hospital, but is still confined to her bed. Her condition is much improved.

Saccharin is derived from coal-tar.

Color and Shape Has Meaning In All Texas Highway Signs, Department Says

The shape and color of a highway sign should have a meaning for you, Mr. and Mrs. Motorist, even though there is no message or symbol on it. You have only a split second at high speeds to read a written message or grasp the meaning of a symbol on a traffic sign. If you fail, you may be courting disaster. Is it not logical then that meaning should be assigned to shapes and colors of a sign as added assurance of your glance recognition? Wouldn't knowledge of both be added insurance for your safety?

From the shape and color of the sign, it is possible for you to tell whether it is a REGULATORY sign intended to inform you of a law or regulation enacted to promote safety and convenience upon the streets and highways, whether it is a WARNING sign erected to tell you of a hazardous condition either on or beside the road, or whether it is a GUIDE or DIRECTIONAL sign to lead you to your destination.

This the second in a series of four articles designed to make Mr. and Mrs. Average Motorist more familiar with traffic control signs, which when properly understood and obeyed, make our highways a safer place to be. This is the story of the WARNING sign.

You noted above that the

WARNING sign is erected for the purpose of informing you of a hazardous condition either on or beside the highway. It may warn of a Stop sign ahead, a narrow bridge, a curve, a crossroad, or some condition that requires the special attention of the motorist, if not a reduction in speed.

This sign is a diamond shape, and it has black letters or symbols on a yellow background. Either the message, symbol, or the background is reflectorized if the condition of which warning is given exists at night.

The WARNING sign will be located on the shoulder of the highway at a point 300 to 500 feet in advance of the condition of which it warns.

Remember, when you see the yellow diamond shaped sign beside the highway, you are approaching something which requires you to be alert or else take the chance of becoming a traffic statistic.

If the true spark of religious and civil liberty be kindled, it will burn. Human agency cannot extinguish it.—Daniel Webster.

Mr. and Mrs. Lester Newsom and children of Stanton and Mrs. J. D. Dutton Sr. were week-end guests of Mr. and Mrs. Helen Hester and children.

Experiment Station Reports on Cotton Insect Situation for Jones County

Favorable weather for cotton development and insect control prevailed during the past week in practically all sections of the State. In most cases growers are cultivating their crops and in making satisfactory progress in many cases satisfactory to excellent results are being obtained in controlling heavy infestations of cotton insect pests. so stated a report to The Herald early this week from the Texas Agricultural Experiment Station.

In practically all sections of the State, except the western areas, the boll weevil is a serious threat to this year's cotton crop, the most serious in many years.

Growers in north-central, eastern areas should continue early season applications of insecticides through June 24. Because of the serious boll weevil threat farmers in all sections of the State should watch fields closely at least every week for injurious infestations of boll weevils or other insects. When such infestations are found sprays or dusts should be applied immediately regardless of date. When weevils are extremely abundant they may readily migrate from fields in which squares are scarce to cotton that is fruiting rapidly. Thus fields in which weevils have been successfully controlled may become reinfested and insecticides should be applied as needed.

While in western areas including Jones County 2,900 plants were inspected in Taylor, Runnels, Nolan, Jones and Coleman Counties. Weevils were found in

only one field. Light infestations of thrips were found in nearly every field.

Thrips are continuing to do damage in some fields in North Texas. Threatening aphid infestations in this area are somewhat reduced but some fields may still require aphid control.

Leafworms are still a potential threat in South Texas. No widespread heavy infestations have developed in Texas, but several thousand acres of cotton in Mexico adjacent to the Lower Rio Grande Valley. A high percentage of the leafworm pupae in the Coastal Area of Texas is being parasitized.

COTTON QUIZ

HOW DOES COTTON ASSIST THE VACATION TRAVELER?

ANS—NEARLY 20,000 BALES OF COTTON ARE USED IN THE MANUFACTURE OF LUGGAGE ANNUALLY.

TENNIS, ANYONE?

This trim young lady is all set to win a love game. She's ready for action in her cotton sports outfit that combines crisp white shorts of cloquedot pique and a comfortable cotton T-shirt. Her neat cotton play ensemble was designed by Graff of California, the National Cotton Council reports.

SUMMERTIME!

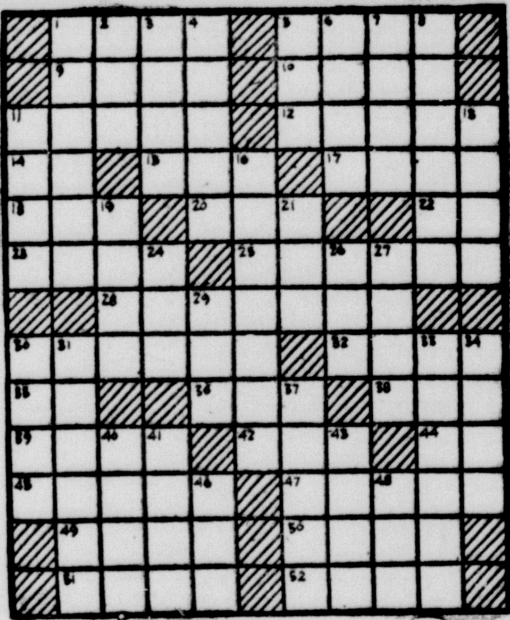

Summertime brings bare shoulders fashions. This dainty feminine blouse is designed in starched cotton lace and icy white tissue broadcloth by Ship 'n Shore. The National Cotton Council reports that cool cotton blouses such as this will be popular for teaming with full skirts of drapery fabric this summer.

Junior Nine Trims Stamford in Softball

A group of Hamlin juniors went to Stamford Monday night to pay a return engagement to the Stamford junior nine in a softball doubleheader.

Hamlin emerged victorious in both ends of the double bill by scores of 8-7 and 7-1.

Only nine boys were available for play and Robert Fletcher was on the hill for both five-inning games.

The club is composed principally of players who perform under the Lion banner in city softball play.

ANDRESS GUESTS

Mrs. Grace Holder, the former Grace Andress, J. A. Andress, Mrs. Bill Donham of Los Angeles have been guests in the home of Mr. and Mrs. Will Andress this week.

The group assembled with other local relatives Tuesday evening for a watermelon feast at the Andress home. While the group was together a long distance telephone call was placed to Tulare, California so that they might talk to Henry Dillingham, who is ill in that city.

The California visitors left for Breckenridge Wednesday for a visit.

Sheer Fabrics Subject Of Agent's Lecture

Sheer fabrics are in the spotlight for summer clothes, so states Loreta Allen, Jones County Home Demonstration Agent.

Yard goods counters are offering a greater variety of sheers than in many a year—in cotton, rayon, nylon and silk, with many old favorites too choose from, including dimity, dotted Swiss, organdie, chiffon, voile and tissue gingham. Sheers are ideal for this year's very feminine styles, either soft drapes or crisp full skirts.

In making up these fabrics, however, the home seamstress needs to remember that many need extra seam allowance. For the crease-resistant voiles, for example, are wavy and fray badly, thus to hold securely you need seams five-eighths inches deep when finished. Darts and waistline seams should not be cut down ward because of the danger of fraying. French seams generally are best because they are least conspicuous, but at armholes it may pay to bind seams with a bias fold of the material for durability.

Sheers are so light and delicate that they have a way of getting out of hand—slipping and stretching when cutting out the pattern. To avoid this, use one of the new cutting boards to which the fabric can be pinned before cutting. Or pin the fabric to heavy smooth paper.

When stitching by machine, prevent puckering of the material by basting it to strips of tissue paper. After stitching the paper is easily pulled off. Set the machine for about 16 to 18 stitches per inch for these delicate fabrics, and tighten the pressure screw at the top. Use a fine needle—size 11 at least.

Your slip is sure to show—show through, that is—when you wear a dress of sheer fabric. Thus consider what you will wear underneath when you make or buy a sheers dress. Slips that match dresses in color are very much the thing this year—a navy blue slip under a navy dress, or a grey slip under a grey dress. Be sure the slip come down to the hem of the dress and hangs evenly all around to avoid unsightly gaps. Plain slips look best under figured or fancy sheers. Dressy slips may be worn under plain sheers.

Lew Wallace, author of Ben Hur, was a Union General.

CANOEING IN COTTON

Even a bathing beauty can lift this lightweight canoe. It is made of cotton. The canoe is one of the new products constructed from sturdy cotton laminates. Cotton fabric is impregnated with plastic and molded under heat and pressure to make many different types of products. This ten-section collapsible canoe will carry a weight of 800 pounds, yet it weighs only 66 pounds. Although the canoe is light, it is strong and waterproof.

Johnnie Anne Harbert Feted on Birthday

Mrs. J. W. McCrary entertained her granddaughter, Johnnie Anne Harbert, with a lawn party Saturday afternoon, honoring her on her second birthday.

Children played in the wading pool and moving pictures were taken of the group.

Cake and ice cream was served to the following: Mike and Mart Smith, Louanne Hawkins. Mrs. Harold Wheat and Judy of Abilene, Mrs. Bill Gardner and David, Mrs. S. C. Ferguson and Sammy Kirk, Mrs. W. T. Johnson and Margaret Ann, Mrs. Fugue and Paula Kay, Mrs. John Edwards and John Al. Mrs. Danny Simms and baby, Mrs. Lala Harbert and Mrs. Bill Harbert.

Camp Fire Girls Hold Council Meet June 9

Hamlin's Camp Fire Girls met Friday, June 9 for a council meeting at the Hut.

The girls marched in answering wholet call given by Mrs. Ned Moore, guardian.

Three candles were lit in the center of the circle representing work, health and love. The group then sang the "Camp Fire Law." Guardian gave a talk on "Have You An Educated Heart?"

Each girl then stepped forward as her name was called and received her necklace of honor beads. Mrs. Moore told them, "These colorful beads are symbols of your program on the Camp Fire Trail. Treasure them as a record of the work, adventure and fun which we have enjoyed together."

Extinguishing each candle and singing "Sing Your Way Home" the group marched out.

Those present were: Sara Fomby, Jean Kidd, Kay Meason, Bette Boyt, Herlinda Mendoza, Renee Moore, Gwendolyn Brown, Retha Sanders, Joy Hames, Ida Carter, Betty Teague and Sandra Stuart.

Mrs. S. A. Teague Is Camp Fire Hostess

Camp Fire Girls met last Friday in the City Park where Mrs. S. A. Teague hosted a picnic for the group.

Refreshments of marshmallows, weiners and trimmings were served to the following: Jean Kidd, Kay Meason, Renee Moore, Retha Sanders, Gwendolyn Brown, Joy Hames, Ida Carter, Betty Teague and Sandra Stuart.

Also among attendants were: Sonny Teague and Mickey and Ned Moore Jr.

Worldly fame is but a breath of wind that blows now this way, and now that, and changes name as it changes direction.—Dante.

Easier were it to hurl the rooted mountain from its base, than force the yoke of slavery upon men determined to be free.—Southey.

Refreshments to: Mmes. D. W. Carlton, Cecil Brown, John Hix, James Brown, Elbert Fomby, Roy Brown, Sol Branscum, Ray Johnson, W. J. Kemp, Edd Rodgers, Grady Smith and Miss Patsy Brown.

Hamlin Memorial Hospital News

Patients admitted to the Hamlin Memorial Hospital since last week's report in The Herald were: Mrs. L. E. Allison, medical, June 17; Mary Willingham, medical, June 22; Mrs. E. D. Jenkins, medical, June 22; Mrs. R. S. Avery, Aspermont, medical, June 23; L. K. Nichols, medical, June 25; Mrs. Bentley Solomon, medical, June 23; Mrs. Troy Rogers, Abilene, medical, June 25; Willie Shrum, medical, June 25; Mrs. Juanita Lujon, medical, June 26; Dave Smith, medical, June 27; Mrs. H. L. Mayfield, medical, June 27; David Ray Brown, medical, June 27.

Patients dismissed since last week's report were: Virginia Mayfield, June 23; Mrs. D. W. Carlton Jr. and baby, June 23; E. T. Dominey, June 25; Mrs. I. A. Millhorn, June 26; Mrs. Garret Hecht and baby, June 24; Mrs. Victor Galloway and baby, June 24; Mrs. Minnie Wiley and baby, June 23; Mrs. L. E. Allison, June 22; Mrs. E. D. Jenkins, June 27; L. K. Nichols, June 26.

Monrovia, Liberia is named for United States President James Monroe.

A league is about three miles. Three birds which cannot fly are the emu, kiwi and ostrich.

Nothing is less selfish than a desire of fame, since its only sure acquisition is by laboring for others.—Walter Savage Landor.

Linda Faye Wallace Birthday Honoree

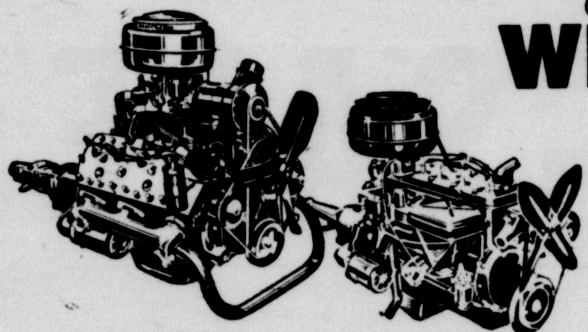

(Celotex Reporter) Linda Faye Wallace was feted Friday evening by her mother, Mrs. J. T. Wallace with a birthday supper celebrating her 13th birthday.

The following attend the fete: Mr. and Mrs. Bruce Hallmark and W. H.; Mr. and Mrs. J. L. Black and daughter of Abilene; Mrs. Wilmoth Wallace and daughters of Hamlin.

Golden Wedding Fete For Mr. and Mrs. Pluto

Mr. and Mrs. J. G. Pluto, 427 Steves Avenue, San Antonio, formerly of Hamlin, celebrated their golden wedding anniversary Friday evening, June 5 with an open house for relatives and friends.

The Plutos, as most old timers will recall, were the first automobile dealers in Hamlin in 1906-1907.

Mrs. Pluto wore a sheer gold dress with a white corsage.

The table was covered with a ice cloth and centered with an elaborate floral arrangement of pink gladioli and delicate pink carnations with gold leaves and ribbon streamers, flanked with pink candles in sterling holders.

The cake was in the shape of a large wedding ring and was encased in pale pink and adorned with spun roses and orange blossoms. It was placed on a board covered with pink satin with a fringe of tulle edging the board and encircling the cake.

Assisting in serving the cake and coffee were their two daughters, Mrs. Clint Walker of Tulsa, Oklahoma and Mrs. L. Howell, Detroit, Michigan.

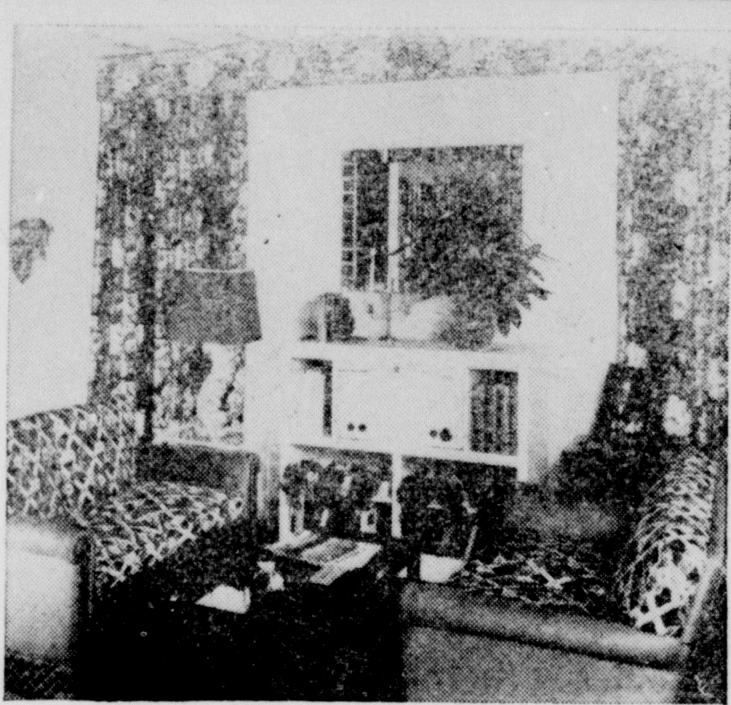

The Plutos have three grandchildren and two great grandchildren.

Serving the punch in the garden were Misses Betty Roper and Patsy Lester. Mrs. Ann Walters, niece of Mr. Pluto, was in charge of the guest book.

Also present at the occasion were three sisters and husbands of Mrs. Pluto: Colonel and Mrs. George Roper, Mr. and Mrs. R. N. Sparks and Mr. and Mrs. H. A. Whitaker.

Circle Three, WSCS At M. T. Hudson Home

Circle No. 3 of the W. S. C. S. of First Methodist Church of Hamlin met in the home of Mrs. M. T. Hudson Monday at 4:00 p. m.

This meeting was the first for the new organization.

Mrs. J. F. Taylor led the devotional.

Following officers were elected: Mrs. W. H. Gilbert, chairman; Mrs. M. T. Hudson, treasurer; Mrs. Elbert Fomby, secretary; Mrs. D. W. Carlton, membership chairman.

Pledges were made and Mrs. D. W. Carlton led in the Pledge Prayer.

Membership includes the following: Mmes. Art Newcomb, Holly Toler, W. S. Hunter, Paul Wick, Joe McCrary, Lewis Madden, Ella Patterson, W. H. Gilbert, Hames, H. A. Johnston, J. F. Taylor, A. A. Hackley, Elbert Fomby, W. J. Poe, D. W. Carlton, Tom Teague, D. O. Sauls, M. T. Hudson, Mills.

New members present were: Mmes. O. D. McDonald, C. R. Langford, Mame Akers.

Circle One, WSCS In Monday Meeting

Circle No. 1, of W. S. C. S. of the local First Methodist Church met in the home of Mrs. S. C. Ferguson Jr., Monday afternoon.

Mrs. W. T. Johnson gave the devotional.

Remainder of the meeting consisted in election of officers as follows: Mrs. George Poe, chairman; Mrs. Fred Ratliff, assistant chairman; Mrs. Tom Wilson, secretary-reporter; Mrs. S. C. Ferguson, treasurer; Mrs. S. C. Ferguson, Mrs. Robert Gardner and Mrs. W. T. Johnson, gift committee.

Refreshments were served to nine members and five children.

Meeting was dismissed with a prayer by Mrs. Brad Rowland.

Rhode Island, smallest state in the union, has the longest name.

True liberty consists in the privilege of enjoying our own rights, not in the destruction of the rights of others.—Pinckard.

Mrs. John Barnett entered a clinic in Temple, Monday where she will receive treatment.

Mealtime MARVELS

WAFFLES

Businessmen, homemakers, and school children alike need a whole some, nourishing breakfast to supply an ample amount of energy for the morning's activities. Waffles, served piping hot with bacon or sausage, give the family a cheery send-off with calories a-plenty to prevent a mid-morning let-down.

Basic Waffle Recipe

2 cups sifted all-purpose flour
1 teaspoon salt
3 teaspoons baking powder
1/2 cup fortified margarine
2 eggs, beaten
1 1/2 cups milk
2 tablespoons sugar, optional
Sift flour, salt, and baking powder together. If sugar is used, sift with the above ingredients. Cut in the margarine as for making biscuits or pastry. Combine the beaten eggs and milk and mix with the other ingredients. Stir lightly. Do not overbeat. Follow manufacturers' instructions for your particular waffle iron for baking. Serve right from the iron with a generous supply of margarine and syrup or jelly.

For other tempting, nutritious food ideas, send today for your free copy of "Mealtime Marvels with Margarine," a helpful, 32-page recipe booklet in two colors. Write National Cotton Council, Box 76, Memphis, Tenn.

MYF To Hold Benefit Ice Cream Supper

M. Y. F. of the First Methodist Church will hold an ice cream supper, June 6 at 7:30 p. m. on the church lawn.

Proceeds from the supper will go to the Camp Fund to send seven delegates to M. Y. F. Camp at Ceta Canyon from July 10-14. Everyone is invited.

Colleen Miller Becomes Bride of Jimmie Paul McFarland in Sunday Rites Held in Hamlin

Colleen Miller, daughter of Mr. and Mrs. L. V. Miller of Hamlin, and Jimmie Paul McFarland, son of Mr. and Mrs. J. P. McFarland of Dallas were married at 5:00 p. m. Sunday afternoon at the Hamlin Church of Christ.

J. W. Treat of Abilene read the double ring ceremony before an archway of pink carnations.

Baskets of pink gladioluses and candelabras with pink candles flanked the arch.

Blake Sickles of Abilene was soloist with an a cappella quartet from Abilene Christian College, Abilene.

The bride, given in marriage by her father, wore a white organdy over faille taffeta, ballerina length. White organdy mitts and white opera pumps. Her fingertip veil of illusion was caught to a coronet of pearlized orange blossoms. She carried a white Bible topped with a white orchid.

Attendants were: Peggy Terrell, maid of honor; Janet Bonner and Quata Miller, sister of the bride, bridesmaids. Don McFarland, brother of the bridegroom, of Dallas, was best man. Groomsmen were: Freddy Waddell of Roby and James Bailey of Bowie.

Miss Terrell wore green organdy over faille tffeta with matching slippers and a garland of flowers across her head. Flowers were green daisies in a hand bouquet.

Miss Bonner wore blue organdy over faille taffeta with Miss Miller wearing pink. Both dresses and accessories were similar to that of the maid of honor.

Reception was held in the home of Mrs. Dick Maberry following the wedding.

Assisting in the house party were the bridal party and Mrs. Harold Bonner, Mrs. Hallmark, Norma Rawlins, Mrs. Alton Preston, Mrs. Odie Hallmark, Bobbie

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is ...

Union leaders' answer to Board is ..

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR OR \$2.48 A DAY—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified
In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

YES!
NO!

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE
The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:
Chicago Great Western Railway Company
Chicago, Rock Island & Pacific Railroad Company
The Denver & Rio Grande Western Railroad Company
Great Northern Railway Company
The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "NO!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Reed Vigorous In
State Office Race

A state government, like a family, should live within its income, W. O. Reed, former Speaker of the Texas House of Representatives, declared this week as he vigorously pushed his campaign for Lieutenant Governor.

Reed, who is now serving his ninth consecutive term in the Legislature from Dallas County, is well qualified to speak with authority on economy in government, for he has actually done something about it.

He was the author of the pay-as-you-go law which put Texas on a cash basis and prevents the Legislature from spending money it does not have. While Reed was Speaker in 1947-1948, he directed legislation which resulted in a surplus of over \$90,000,000 in the general revenue fund at the end of his term.

"Additional taxes are not the answer to the rising cost of state government," he declared. "I am definitely opposed to any kind of a general sales tax, income tax or gross receipts tax."

"I firmly believe that if common sense and practical business economy are used in running our state, Texas can halt the runaway cost of governmental expenditures."

Reed, who the the oldest member of the Texas Legislature in point of service, is an attorney who worked during the day and attended school at night to obtain an education. He co-sponsored and actively supported the Veterans Land Law.

As a candidate for Lieutenant

Hamlin Rendering Company

Governor. Reed has declared that he will support a more efficient, long-range farm-to-market road program; legislation to make Texas highways safer; the development of our soil and the conserving of the water supply of Texas, to aid our parched towns, farms and ranches; continued support of rural electrification and

rural telephones for our farms and ranches. "As your Lieutenant Governor," Reed stated, "I pledge that I will strive to give the people of Texas the same progressive debt-free government that I helped direct when Speaker of the House of Representatives in 1947-1948."

Pencils at The Hamlin Herald.

\$90,000,000.00

Over 90 Million Dollars cash surplus was in the General Fund of Texas when W. O. REED concluded his term as Speaker of the House of Representatives in 1948. TODAY THERE IS NO SURPLUS.

Elect

W. O. REED

YOUR LIEUT. GOVERNOR

W. O. REED has really done something about efficiency and economy in our state government besides talk about it.

W. O. REED wrote the pay-as-you-go law which put Texas on a cash basis in 1942, and prevents the Legislature spending money it does not have.

W. O. REED believes our state government, like a family, should live within its income.

RANCH STYLE

This chic lass takes a cue from the cowboys and wears a Western style kerchief at her neckline. Her dress and matching kerchief are created from sheer swaggy ging-ham in neat checks by Galey and Lord. Gingham is more popular for cool summer frocks than ever before, according to National Cotton Council fashion experts.

Uncle Sam Says

Young America, as represented by some 300,000 newspaperboys, is a firm believer in the principle of independence and of a Free Democracy as exemplified by the U. S. Savings Bonds Drive slogan "Save For YOUR Independence, Buy U. S. Savings Bonds," as well as the Drive symbol, the "Liberty Bell." These newspaperboys will again demonstrate their desire for a strong America by distributing 15,000,000 Savings Bonds folders right to your door, during the Independence Drive May 15-July 4. The folders will show you how to become financially independent through the regular, automatic way of saving by investing a portion of your income in Savings Bonds. U. S. Treasury Department

There is no fit search after truth which does not, first of all, begin to live the truth which it knows.—Horace Bushnell.

Geoffrey Chaucer was the first poet laureate of England.

Banding of Mourning Doves Under Way Over State In Conservation Move

Seasonal mourning dove banding, a vital phase of game bird management, is just getting under way in Texas, according to the assistant director of wildlife restoration of the Game, Fish & Oyster Commission.

Game wardens, protecting wildlife in the state's 254 counties, handle most of this work which is done while the young birds are in the nest, preferably just before they fly away. But game biologists, lake biologists, hatchery staffs and others help out.

The words "Game Department", Austin, Texas. The wardens record the banding data. Mourning doves probably supply more hunting than any other single game species in Texas. The status of mourning dove populations in various states also have become a source of growing concern. The banding of the birds and the return of these bands by hunters will show the life span of the doves, where they go after leaving their nests, where most dove hunting occurs and the percentage of young and old birds killed each year. All of this will help to guide the department in recommending seasons and bag limits.

Thus, from the Rio Grande to the Panhandle and from the Eastern to the District Western borders, hundreds of persons are undertaking the important routine.

The bands bear a number and some wardens enlist the aid of Scout troops and sportsmen's clubs. Wardens have been requested to spread the banding over the entire nesting season through the summer to obtain a representative record. All are pitching in enthusiastically.

Approached on the subject of cooperating, a grizzled Texan replied, "I have roped cattle, ridden gearlings and handled a few snakes but this is the first time I have had to opportunity of playing 'God Father' to young birds." Science marches on!

Banding the young birds is just as delicate as it is important. Great care must be taken in approaching the fragile nests. Birds should be banded between the ages of three to 10 days. Yet this stage as their first trial they are so nervous at the end of flight approaches that they startle easily and may flee and become prey of predators. Likewise, bands must be carefully affixed to their legs; secure enough to stay and yet not tight enough to interfere with leg growth. The assistant director of wildlife re-

storation emphasizes that none but the official banding should be undertaken and that properly constituted authorities must supervise all banding routine.

Meatime MARVELS

SOUTHERN CHICKEN CASSEROLE

The South and fried chicken are synonymous where food is concerned, for Dixieland has been famous for its fried chicken since plantation days. Now from the new South comes a delectable variation on the fried chicken theme. It is called

Southern Chicken Casserole

1 fryer disjointed
1/2 cup flour
salt and pepper
4 tablespoons fortified margarine
1 small bay leaf
2 tablespoons lemon juice
1 tablespoon Worcestershire sauce
1/2 cup water
1 small can mushrooms (stems and pieces)

Season the flour with salt and pepper. Cover the chicken well with the seasoned flour. Place in casserole. Dot with bits of margarine; add bay leaf, mushrooms, Worcestershire sauce, lemon juice, and water. Cover. Place in a preheated moderate oven (325° to 375° F.) and cook for 1 1/2 hours.

For other tempting, nutritious food ideas, send today for your free copy of "Meatime Marvels with Margarine," a helpful, 32-page recipe booklet in two colors. Write National Cotton Council, Box 76, Memphis, Tenn.

Chevrolet trucks give you more powerful performance, thriftier operation

You can expect great things of these new Chevrolet trucks. They're the most powerful trucks Chevrolet has ever built, yet they cost surprisingly little to operate. Two rugged, wonder-working Valve-in-Head engines—the Thriftmaster 92-h.p. and the new Loadmaster 105-h.p.—bring you performance that saves you time and money. New Power-Jet carburetion provides smooth, quick acceleration, and the 4-speed Synchro-Mesh transmission in heavy-duty models means faster shifting and greater safety on the grades. To you, this means wonderful new performance... less time on the road... less time in the haul. So do yourself a favor. Visit our showroom today. Chevrolet trucks have what you want!
